A Word From The Pres

We have started the New Year off right. We had a great turnout for our first meeting. It was wonderful to see everyone again. Many good suggestions were made for activities. I refer you to the activities calendar.

I would ask that in order to help our club grow and bring in new blood, each of you share one of our brochures with someone who owns a Corvette. You can get these brochures from me. I can email them to you or mail them.
