President's Message

Thanks to the Chippewa Valley Corvette Club for attending the April meeting. There were, I believe, 5-6 members of the club at Schmidty's

Looks like winter is over for the year and driving season has begun.

The next meeting for River City Corvettes is May 31st, the fifth Sunday of May, so as not conflict with Memorial Day weekend. The meeting will be at Schmidty's. The next Car Show meeting will be May 5th at Ardies.

I lined up Cullen Harbaugh at Brenengen Chevrolet to do the Corvette Tech talk on Wednesday May 20th at 6:30 pm at the West Salem dealership at 6:30pm. Barry Blomquist has been kind enough to bring his 2015 Z06 to the meeting. Cullen will be discussing features and options of the Z06. If Brenengan still has a Z06 in the showroom, you will be able to see the difference of one with the Z07 option (Barry's) and one without, (Brenengen's).

Most members of the club thought black was the best color choice for my 66, a few said white, and one said beige. I have plenty of time to think about it. I personally like the white on white look, however black is most likely the color the car came with originally.

Ladies luncheon is May 15th 12:30 at Culina Mariana (the Shrine).

Governor's Report - May 2015

Hello All!

Sorry I haven't sent a Governor's Message for a while. I have been very busy with the Rally and work (keep snide comments to yourself). We have a fresh new venue for our Rally 2015, which will be held on June 7. We are going to depart from the City Center of the Garden of Eden (most people know it as Galesville, WI). This is a picturesque region of the driftless region that many people haven't explored. It has fun roads and great scenery. It will be a fun low key competitive day. We plan on finishing in the beautiful river town of Trempealeau, WI. I hope to all of you there. This locale also allows us to avoid the I-90 road construction mess as well. I suggest you avoid that part of our area as well.

So I hope you all have gotten your toys out and started polishing them up. It is time for another fun Driving Season in the upper Midwest. Start your engines!

See you on the road!

Charlie Britten
RCC Governor
