President's Message

Well, I finally acquiesced. I now have a front license plate on the Grand Sport, let me tell ya, it ain't pretty. Did I get a ticket you ask, no. Did I get a warning, well kinda, but not from the local constabulary, but rather from some fellow Corvette owners. Three of them received warnings in the past two weeks; two from the state patrol and one from the La Crosse city police. The reason for the enforcement, given to one of these who was stopped, has to do with the new method of monitoring who is parking in the ramp. It reads the plate when a vehicle is driven in to determine how much you pay to get out. The odds that I would ever park in the ramp - pretty slim

Anyway, I figured it's done with and I suppose I'll get used to it; I didn't say I'd like it, but it eliminates some of the angst when meeting an officer of the law on the road.

I big thank you goes out to Ron and Ramona for giving us a taste of Thanksgiving in August. That was some of best turkey I've ever had. I've said it before, the potluck meals beat out the restaurant every time.

Tom Jerisha did a great job researching and presenting the club apparel options. If you haven't taken a look at the web site, please do so.

It's hard to believe that here we are in September already and it's just flying by; there are a couple of things to be thinking about this month. Next years officers for the club is one, and another is the fact that we are hitting another milestone year - 45 years since the clubs inception. If you have ideas, bring them to the meeting for discussion.

Although we had another commitment that day, I understand Dave and Kathy's ride and dine was enjoyed by all who went to Jake's Northwoods Restaurant in Sparta. How do you keep finding these places I've never been to?? I understand that Jon Cox showed up with his new set of wheels. Jon made the jump from a C4 to a white C6 coupe, congratulations on that. Wow, new house, new car, what next Jon?

The next ladies luncheon is scheduled for Thursday, September 21st at Le Chateau. The monthly club meeting will be held at Schmidty's restaurant on Sunday, September 24th, see you there.

Save the Wave!!
