President's Message

The parts catalogs have been worn out from thumbing through them all winter. There may be parts setting in the garage or basement just awaiting the opportunity to add something new to our car. The magazines have been read over and over again. As the sun gets higher in the sky and the days lengthen, we know we are getting close to start enjoying our Corvette passion again. The anticipation is growing.

It won't be long until we are out driving and enjoying the highways and country roads. Hopefully we are not the only ones who will share in our passion. It is just as enjoyable sharing our passion with other Corvette enthusiasts as it is non Corvette owners. Spread the word and the passion.

Looking forward to seeing everyone at the progressive dinner/meeting on March 26th.

David Fontanini

Governor's Report - February 2006

As the year goes we are planning one event that is sanctioned by NCCC, in August.

The event is our Autocross which we will all need to help pull it off in a fine fashion.

If you are looking for other Corvette related events, see our activities section or go to www.mwregion.com web site.

The idea of another joint Poker Rally is being thought about and the other clubs will be contacted.

We welcome four new couples which joined last meeting.

RCC Governor,
Claude Mosley
