## President's Message

Spring again! Put away the snowblower and get out the Corvette. Nine of them were out last Saturday when Dave and Kathy Fontanini led us on a most enjoyable Ride and Dine, the first of the year, ending up on St. Joseph Ridge. It was my first drive on the resurfaced part of Hwy 33. Almost forgot what it was like riding on smooth pavement, unless of course you count driving on the roundabouts, which seems to be where our highway funds go. Ah, well, enough from the grumpy old man

Once again, Brenengen's Chevrolet has agreed to be our club sponsor. As a club member you are entitled to the following perks from the dealership.

\* New Corvette purchase at invoice pricing, in stock or order out, subject to availability.

Unique or special editions excluded. When a dealer trade is involved, the buyer will be responsible for transportation costs.

\* 25% discount on GM and non-GM Corvette parts and accessories from the parts department for carry out only.

\* A \$10.00 discount with any full service oil changes. Examples:

Mobil 1 Synthetic, six quarts, filter, currently \$72.37 - \$10.00 = \$62.37

GM Dexos Semi-synthetic, six quarts, filter, currently \$39.94 - \$10.00 = \$29.94

\* Brenengen will waive up to \$250.00 insurance deductible on Corvette auto body repair exceeding \$3,000.00

Coming up next month is our annual Tech Talk evening at Brenengens. This is your opportunity to pick the brain of the technicians with any questions you have about your Corvette. Dave Fontanini suggested more information be provided on replacement of fluids since our cars are parked for extended periods of time over the winter months. If you have any other questions or concerns about your car for the technician, please send them to me, as they like to have them in advance.

See you at the next meeting, April 23rd - remember it's pot luck at the Schaper residence, 1841 Putter Court, Onalaska. Turn off of Main Street into Green Coulee by the Coulee Golf Bowl, go two tenths of a mile, turn left on Putter Court. 1841 is at the end of the cul-de-sac.

Save the Wave.  
Dennis

RCC President
