# Monthly Newsletter

Hello Fellow RCC Members,

Spring has arrived at least for a day or two with a temperature of 75 Deg. I pulled my Corvette out of storage on Friday so for me driving season has begun. Keep in mind right now we are as far away from putting our Corvettes away for winter as we can get this year.

I met with Don Brenengen on Friday also to reconfirm our agreement with Brenengen's as official sponsorship dealership. He had a new 2019 C7 removable top ready to go for under \$70K if you are so inclined. I will stay with my C5 convertible.

As part of our exclusive dealership agreement Brenengen offer the following discounts to RCC members:

New Corvettes purchase at invoice pricing, in stock or order out, subject to availability. Unique or special editions excluded. When a dealer trade is involved, the buyer will be responsible for transportation costs.

25% discount on GM and non-GM Corvette parts and accessories from the Parts Department for carry-out only.

A \$10.00 discount with any full-service oil changes. Examples:

Mobil 1 Synthetic six quarts, filter, currently \$72.37 - \$10.00 = \$62.37

GM Dexos Semi-synthetic six quarts, filter, currently \$39.94- \$10.00 = \$29.94

Brenengen will waive up to \$250.00 insurance deductible on Corvette auto body repair exceeding \$3,000.

Several of you have talked to me about the service managers not knowing about these discounts and not wanting to honor them. Don said it was a training issue and he was going to inform the service people about honoring the discounts to RCC members. I provided Don with a list of our current members to give to the service managers also.

If you have any problems going forward let me know and I will address them again with Don Brenengen.

Ron Callender  
RCC President
