## **Governor's Report - May 2010**

Hello,

Even though its 41 degrees today we all know Summer is really here! So mark your calendar for May 15th for the Burnsville Rally! We would like to have as many people as possible to come up and have some fun. Let's see what this Rally thing is all about. We are also trying to get a 5th car for our Club Spot at Bloomington Gold. We only need one more but we would like to see everyone. If you haven't gone it's an experience, if you haven't been there for a while its time to go. We are having a meeting at the Schaper's in May and checking out the new Man Cave. I look forward to that and this 2010 season.

We are planning new events and activities as well as partnering up with Brenengan's Chevrolet to create a lasting relationship and the synergy that comes with that. They give us exposure as well as being a partner of a dealer that sells lots of Corvettes. I am excited for this season and I think we will maximize the fun and socializing as well as giving back. Don't forget we have a Midwest National Convention next year and we should think about participating in this National Event. We need your participation to be successful and that means all you need to do is get in your car and come out and play.

Let's go out and play

I can't wait

Respectfully,  
Charlie Britten  
Governor  
River City Corvettes
