President's Message

Another most enjoyable Ride and Dine orchestrated by Ron and Ramona, complete with a bag of snacks to insure that no one got hungry enroute to our destination. The stop at the winery proved to be a big hit, as did the dinner at the Badger Crossing restaurant in Cashton (never heard of it before). My bubble was burst when we arrived at our destination, and I realized I was reading my average speed as my gas mileage. Depending on how I drive, I have scored 30+ mpg before, but I was amazed to see 35 mpg, especially since we were close to the end of the convoy and our speed was a bit erratic. The corrected readings were average speed 35 and the mileage was 27 (still respectable). HOWEVER, when we left Cashton, I reset the computer, and drove home on Hwy 33 at 60 mph, admittedly with a good tailwind. When we arrived at our garage door I told Cyndy, who had the biggest laugh at my previous error, to verify the mpg reading: 35.4. I'm sure the wind helped but even still.....

Last meeting I announced that Joel Van Haden was inviting all local car clubs to see his collection of cars and motorcycles at his home in Trempealeau. We went. The only way to describe it is "WOW" what an amazing man cave. As we entered the building, a friend glanced around the room at the very desirable Mopars, Camaros, Mustangs and more, then up to the mezzanine filled with motorcycles. He turned to me and said "I'm going home and burn my garage down." Should the opportunity ever present itself again, take the tour, I'm sure you will enjoy it.

Well, the year is rolling along in high gear; hopefully by now you have had some enjoyable miles in the seat of your Corvette and the club has a lot upcoming events to insure you do. Dave Fontanini has arranged special parking for Corvettes on July 6th at Throttle Thursday, a new weekly event at Smoky's Bar in Holmen. This will be a good opportunity for us to promote our upcoming July 15th car show. We also have Corvette night at Rudy's Drive In on the 11th of July.

Anyone interested in helping with the car show at Brenengen's on July 15th, contact Mark Swingle. Our Rally Master, Charlie Britten, may also be looking for assistance with the July 22nd Rally.

This month's Ladies Luncheon is at the Farm House in Caledonia on June 16th. Contact Mary Swingle if you would like to join in.

Our next monthly club meeting is June 25th at Schmidty's. See you there.

Save the Wave!
