Monthly Newsletter

A Word From The Pres

June was a special month for Ruth and I. We spent a very enjoyable 3 days at Corvettes on the Isthmus at HoChunk, Oh, and it was our 24th wedding anniversary on June 28th.

We met a lot of nice people and shared some beautiful rides through the countryside. The slots were good to Ruth, and we spent it all on matching jackets. We had a 200+ car caravan to Reedsburg the first night and to Wisconsin Dells the next night with closer to 400 cars. What a site.

We have a few pictures of our weekend. We hope you enjoy them. Many activities in July.

See you then.
Jeff

Governor's Report - June 2004 **Tom Stibbe 608-788-2772**

I apologize for not being present at the recent club meeting held at "Shorty's". My excuse is that we were at the Bloomington Gold Corvette weekend in St. Charles, Illinois. Bloomington Gold is one event that I look forward to visiting every summer. Bloomington Gold is everything Corvette. The 400 vendors, the daily auction, the buy and sell lot, the "Special Collection" show, the Friday evening gathering downtown, the Saturday evening road tour, and Certification judging gives every Corvette owner a boost of enjoyment. I've been to this event at least 20 times, and still, I look forward to seeing next year's show. The show was once held at dusty county fairgrounds in Bloomington, Illinois. In recent years, the show is held at a mature 18 hole golf course/dinner theatre resort. The thousands of Corvettes driven to the show are parked on the beautiful golf course fairways. For me, it is simply a great time to immerse myself into all the sites, sounds, smells, and celebrate 51 years of Corvette. For more information, go to **www.bloomingtongold.com**

On August 22, 2004, our club will co-host the RIVER VALLEY CUP low speed, 5 event, auto cross at the La Crosse Fairgrounds Speedway. The Chippewa Valley Corvette Club of Eau Claire joins us to offer this event. The schedule for the day remains the same as our Spring Auto Cross held in April. Please print a copy of the RIVER VALLEY CUP flyer located by a computer link elsewhere in this newsletter for all the details. As a

member, you can take this opportunity to benefit the club and the hobby by offering to help with this event. Please contact Claude Mosley or one of the officers, and your help will be greatly appreciated. An enthusiast contributes and makes a difference.

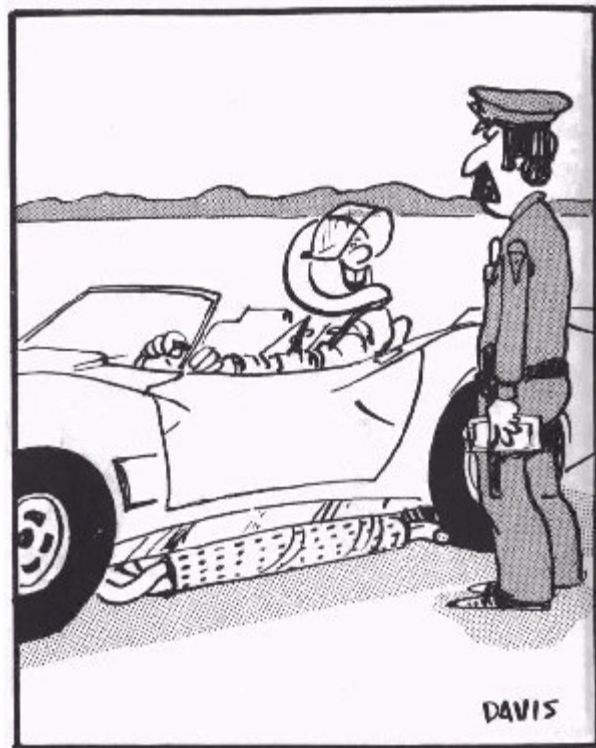

I know that many of you are getting a lot of Corvette seat time this summer. If you have not, there is still plenty of opportunity this summer to enjoy a Corvette event. Make sure you look over the calendar prepared by Joan Schreck. If something interests you, start making plans, and I hope to see you there or hear your stories when you return!
