President's Message

First I would like to Thank all the members who brought their cars to the Ray Hutson's Car Display Day on June 23rd 2007. It was a great day and Big Brothers and Big Sisters of the Coulee Region Benefited as well. We had three potential new members stop by and a couple of other car guys including a Mustang owner.

Our next big event is the Autocross at the LaCrosse Speedway. Make sure that you attend the July 22 meeting at Forest Hills. Discussion about the event and volunteers will be needed to make this event a success. Tom, Claude and Charlie having been working very hard to make this event work for our Club. So let's support our hard working members and RCC.

The summer is going fast and we need to get in another parade before the end of the summer, so bring ideas for the next meeting as well.

As I ride around the Coulee Region I have noticed that there are an ever increasing number of Corvette Enthusiasts. They are all vintages. If you have a chance to meet someone who is not a member of our club, just mention it to them. I will be getting some business cards made with the club name and address. I would however be careful in just putting them under the wiper blade, some people get offended with that.

I have been thinking that we should also have a list of ever member's car type and year. I think we have that in our records but we should list them. Also I would like to see a list of Birthdates Year not required, so that we can acknowledge members birthdays at meetings and news letter.

That's it for this month.

Governor's Report - June 2007

Thanks to all the members that participated at the Ray Hutson "Display Day", and consumed many brats for the Big Brothers, Big Sisters effort to provide us lunch. The day was easy and enjoyable. Thanks especially to Mavis Nicolai for putting out the welcome mat at her Lake Onalaska retreat for a late afternoon and early evening fete. The sunset over the lake was superb!

The "River City Cup" autocross will be on Sunday, August 12 at the speedway. We would greatly appreciate a few hours of your time for this event. It is interesting to see everything from a new Z06 Corvette to a 1980 Rabbit run the autocross course. There are a variety of volunteer needs for this event, and we will accommodate your needs. If you have a friend or relative (at least age 14) that has fast feet for re-setting pylons, please bring them along.

A handful of club members recently attended the Bloomington Gold Corvette Show (weekend) in St. Charles, Illinois. 400 auction Corvettes, 200 Corvettes in the Buy and Sell lot, 10 Chevrolet dealers with 150 new and used Corvettes, 35 Corvettes (mostly 1957) in the ballroom "Special Collection", hundreds of vendors, 2000 Corvettes in the Road Tour, and thousands more Corvettes parked on the golf course... There is a rumor that next year there will be a special designated parking area for the La Crosse, Eau Claire, and Rochester Clubs. Ask Teddy (from Eau Claire) about this at the upcoming joint "Ride and Dine".
