## **Governor's Report - August 2011**

River City Rally is almost here!

We learned a lot last year and I am confident it will run much smoother and we will get people on the road much sooner. We listened to comments to improve the event. We will number the cars, we will send pre-registered participants out first. We will do a random drawing first so we will have many of the points entered when participants return. We will have an equal number of questions per event. We will make the questions a little challenging but not impossible. We are starting earlier and promise to get all out much earlier. We want everyone to have a fun, smooth day. We chose some beautiful winding roads through the scenic bluff country. Even though it's a Rain or Shine event hope for Shine since it would be a great ride to take with the roof off or the top down at a pace you

can take in the wonderful area we live. I want to welcome all the new members who have looked at and joined the club.

Welcome aboard!

We have proven that our best promotion is word of mouth. I ask each of you to tell your friends with Corvettes how much fun we have and where we go. As good as our events are we need each of you to be an ambassador for the club and encourage other Corvette people to come out and play. Del worked on me for years and I am glad he was so persistent.

Let's go out and play

-Respectfully,  
Charlie Britten  
Governor  
River City Corvettes
