## President's Message

Our season is winding down as the days get shorter the number of days we can get together with our cars is also diminishing. We had a very nice summer and it isn't quite over- even though we have football and school starting

In August we enjoyed a nice Ride N Dine, an awesome Rudy's Cruise Night and topped it off with a great Potluck at the Rowley's. Some of us went to Road America and watched the Corvettes race and one of us broke the rules and drove his personal vette at Triple Digits on the track. He will remain nameless.

Some of us are getting packed up and ready to head south for the National Corvette Caravan next week. I was apprehensive at first but am now quite excited about this trip. So much to do and see. It will be great to talk to other clubs and get some ideas on how to progress forward.

We have had some challenges but due to our work I the past we are in a great position to move forward and choose what we want to do as a club. I foresee us having more fun and less fundraising. But we will still need to get sponsorship. I would appreciate anyone who goes out and asks for sponsors to talk to me first so we are all on the same page. Its also important that we don't duplicate our efforts. If you have ideas- Let's talk. Don't forget we need people to be involved- if you are reading this you are already involved. Just make it official!! Run for a Position! Its not that hard- I went all the way to the top in a year and a half!! We need you and we will be nice to you.

So hurry up and enjoy the rest of the season before it is gone!!!

Charlie Britten  
RCC President
