President's Message

Well its here, Fall Color time. Our season is winding down and soon we will be putting our cars away for the winter season. So let's take every opportunity to get them out while we still can!!!

Also, let's not tune out yet, we have elections to run at the next meeting. Speaking of meetings I am looking for ways to attract more of you to come out and visit with us and join in the running of this organization. So I am looking for ways to energize members and help you get more out of participation. We have great core members who do a lot and we have some potentially awesome new members who want to get involved. I need feedback. So, contact me and come to next months meeting with your ideas on how we can make this an even better club.

Don't forget we have a Ride N Dine next Saturday with the Schaper's and this will be the final Ride N Dine for the year.
Hope to see you all there.

Charlie Britten
RCC President
