President's Message

What a beautiful summer it was. The weather wasn't too warm, lots of sunshine, lots of time to drive the car. Thanks to fellow club members got to go to some great events. Saw my first NHRA Top Fuel Event, First Rally, First Cancer Walk Event, First Eau Claire Car Show, First Corvette Caravan, First Dry event at Rudy's.

Yes, despite the economy the weather was great and gas was cheap. We can only wish that such a nice summer driving season will come again next year. Since Autumn is in the air it is almost time to pack the cars away. But there are a few more events before the snow flies. Cars N Coffee on Saturday 3rd, Fontanini Fall Color Run, Suburban Corvettes Fall Color Run. I invite all of you to take these events in and get those cars out before it's too late. I plan to ride this excellent driving season as long as possible!!!!

I should end this address on that high note but I was very disappointed at our nominating meeting. I realize we need to go out and recruit new members who will contribute to the club. If you don't want to step up and take a position we need you to recruit someone who will. To each member that recruits a new member who then steps up to join the board (even if it is next year) gets to drive the Autocross all day and doesn't need to work the event. We need to fill Activities and VP.

I may even give the same deal to anyone who steps up and fills those positions!!!!!! Maybe we need to reward those who take leadership positions. Ideas? Let me know,

Charlie Britten
RCC President
