President's Message

Bonus days. What else could you call them when you have ice and snow free roads in November, especially if you haven't put your Corvette up for the year. Bonus days, yes indeed. But the Wisconsin reality is that winter is almost upon us and the 2016 Corvette season will soon be memories.

It was a good year for the River City Corvette Club, with our first event being the annual beater rally put on by Ron and Ramona Callendar (winning the first place trophy made it even more fun). In June, our Rally Master, Charlie Britten and his team, provided us with another challenging rally through our beautiful countryside. Our annual car show, with Mark Swingle at the helm, was a real success with many new entries and we raised a considerable amount of money for the Boys and Girls Club. The monthly ride and dines were some of the best ever with some surprise destinations. Once again, our Activity Directors, Dave and Kathy Fontanini, did a terrific job throughout the year. They always come up with something new, and this year it was a trip to Iowa for Vettes on the River. On November 19th, we will cap off the year with our Christmas party.

Thanks to everyone for all you have done to make this past year the success that it was and a special thanks to Don Brenengen for once again being our sponsor. Looking forward to the beginning of another Corvette season with the friendships that have been made and grown as a result of our common interest: Corvette.

Save the Wave.
