President's Holiday Message

Well we had a fun Holiday Party! Big Thanks to Judy M.!!

We gave out gag gifts and heard embarrassing stories of past events. Gave out some awards to deserving members and had a 35th Anniversary Toast!

Now is the time to stay in where it is warm and wait out the weather until we can get our cars out of the garage again!

Don't forget to come out to our 1st ever "Caroling Party" at Mavis's house- December 14th (watch for e-mails).

So let's Deck the Halls and before you know it we will be on the (dry) road again!

Stay Warm

"There was a mess-up at the Corvette assembly plant.
It's a cast-iron body with a fiberglass engine."
